

Travelling with Eurolines

Eurolines services travel between coach stations in both London (Victoria) and Paris (Gallieni) that have a full range of facilities including cafes, left luggage and customer service staff and are well connected on both the London Underground and Paris Metro services

Customers need to check in at the Check-in Desk opposite Gate 19 Victoria Coach Station. Check-in opens one hour and closes 15 minutes before departure.

Channel crossings are either by Eurotunnel or P&O Ferries – one of the most experienced operators on the English Channel route. Once loaded on board the coach, luggage normally remains in the hold throughout the trip and once customers have been driven aboard the Ship/Eurotunnel train, they can disembark the coach and enjoy the on-board facilities during the crossing. Note: Immigration authorities may require customers and their luggage to pass through immigration at ports.

Free Luggage Allowance!

Travel with Eurolines and get a free luggage allowance of two medium sized suitcases per person. These will be stored securely in the hold during transit.
