

ENJOY BELGIUM

If you have a sweet tooth or a taste for a beer or two prepare for a taste treat. Belgium can boast around four hundred different kinds of beer; some of the most famous made by Trappist monks, and some of the finest chocolate in the world.

Bruges

Referred to by some as the 'Venice of the North', the famous Old Town in Bruges is a UNESCO World Heritage Site. Once the trading centre of Europe and the world's richest city, today's slow-paced Bruges is a tourist's delight.

Brussels

Although its history stretches back over a thousand years, Brussels is a vibrant, contemporary and cosmopolitan city, home to the unmistakable Atomium constructed for the World Expo in 1958.

Art lovers visiting Brussels should not miss the Royal Museum of Fine Art. And yes, Brussel sprouts have been grown in the Brussels area for over four hundred years.

Antwerp

Antwerp is a mix of trade and industry and old style European charm. The Koninklijk Museum offers fine art by Rubens, Memling, Fouquet and others. Antwerp is famous for its association with the Diamond trade, and the Diamond Museum introduces you to the fascinating world of diamonds.

Liege

This historic city sits on the river Meuse, and dates back to the time of the Emperor Charlemagne. Night life happens in Le Carre in central Liege and on an island in the river called Outre Meuse. There you'll find piano bars, taverns and cafes packed with feisty Liegeois.

Ghent

Ghent is a historic, industrial city with an interesting, compact, medieval core. The Old Town is one that is worth your time and the historic centre is a fun place to wander for an afternoon.

Travelling with

Eurolines coach services to Europe depart from Victoria Coach Station in London which is located close to Victoria Underground and Bus stations.

Check-In

Customers need to check-in at the Eurolines check-in office located adjacent to Gate 19. Check in commences one hour before departure and closes 15 minutes before to enable all customers to board and to ensure a prompt departure. Customers should have their Passports and other travel documents ready for inspection at check-in. A boarding card for each customer and luggage labels will be issued and customers will be advised from which gate their coach will leave. Check in time at other UK departure points is 30 minutes before departure.

Luggage

Customers must label their luggage which will be loaded into the hold of the coach and will normally remain there until arrival at the destination or interchange point. The Coach driver will load and unload customers' luggage but customers are responsible for seeing their own luggage onto and off the coach on which they are travelling.

Sea crossings

Sea crossings are made by Ship or Eurotunnel, check timetables for specific information. On arrival at the ferry port or Eurotunnel terminal customers will be required to disembark from the coach and pass through both UK and destination country Border Control offices and show their Passports. Normally customers are not required to be accompanied by their luggage, however occasionally Border Control officials do require customers to take their own luggage with them.

Refreshment stops

Refreshment stops are taken periodically throughout the journey providing the opportunity for refreshment and shipping services used by Eurolines provide a range of shops, restaurants and other facilities.

Services returning to London arrive in Victoria Coach Station's Arrivals terminal, customers making onward coach connections will need to cross the street to the Departures terminal

All coaches operated by Eurolines have a strict no-smoking policy and seat belts should be worn at all times during the journey.
