

EuroLines coach services to Europe depart from Victoria Coach Station in London which is located close to Victoria Underground and Bus stations.

Check-In

Customers need to check-in at the EuroLines check-in office located adjacent to Gate 19. Check in commences one hour before departure and closes 15 minutes before to enable all customers to board and to ensure a prompt departure. Customers should have their Passports and other travel documents ready for inspection at check-in. A boarding card for each customer and luggage labels will be issued and customers will be advised from which gate their coach will leave. Check in time at other UK departure points is 30 minutes before departure.

Luggage

Customers must label their luggage which will be loaded into the hold of the coach and will normally remain there until arrival at the destination or interchange point. The Coach driver will load and unload customers' luggage but customers are responsible for seeing their own luggage onto and off the coach on which they are travelling.

Sea crossings

Sea crossings are made by Ship or Eurotunnel, check timetables for specific information. On arrival at the ferry port or Eurotunnel terminal customers will be required to disembark from the coach and pass through both UK and destination country Border Control offices and show their Passports. Normally customers are not required to be accompanied by their luggage, however occasionally Border Control officials do require customers to take their own luggage with them.

Refreshment stops

Refreshment stops are taken periodically throughout the journey providing the opportunity for refreshment and shipping services used by EuroLines provide a range of shops, restaurants and other facilities.

Services returning to London arrive in Victoria Coach Station's Arrivals terminal, customers making onward coach connections will need to cross the street to the Departures terminal

All coaches operated by EuroLines have a strict no-smoking policy and seat belts should be worn at all times during the journey.
